v. )  
 ) DETENTION ORDER  
JACK ALLEN ROBERSON, )  
 )  
Defendant. )  
\_\_\_\_\_ )

Offenses charged:

1. Abusive Sexual Contact

Date of Detention Hearing: July 20, 2023.

The Court, having conducted a detention hearing pursuant to 18 U.S.C. § 3142(f), and based upon the factual findings and statement of reasons for detention hereafter set forth, finds that no condition or combination of conditions which defendant can meet will reasonably assure the appearance of defendant as required and the safety of other persons and the community.

FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

1. Defendant has been charged with abusive sexual contact with a minor female

01 on an airplane. Defendant alleges that he had consumed eight alcoholic drinks before the flight  
02 and a further two double alcoholic drinks during the flight. Defendant's wife states that  
03 Defendant is alcoholic and has had multiple instances of disappearing for a few days and then  
04 turning up with gashes to his head or concussions suffered while he was missing. She also  
05 alleges he engages in violent conduct when intoxicated, as well as driving a vehicle when  
06 intoxicated. She has obtained a protection order against him. After one prior episode he was  
07 placed in in-patient treatment but checked himself out after three days.

08         2. Defendant has no ties to this District and an unclear release plan involving several  
09 relatives in Michigan. Given the severity of Defendant's untreated alcoholism and the  
10 purported connection to the alleged offense, the Court determines that release to an in-patient  
11 facility with GPS monitoring as a minimum would be required to mitigate the danger to the  
12 community, but Defendant is not able to access such a facility at this time.

13         3. There does not appear to be any condition or combination of conditions that will  
14 reasonably address the danger to other persons or the community.

15 It is therefore ORDERED:

16 1. Defendant shall be detained pending trial, and committed to the custody of the Attorney  
17 General for confinement in a correction facility separate, to the extent practicable, from  
18 persons awaiting or serving sentences or being held in custody pending appeal;

19 2. Defendant shall be afforded reasonable opportunity for private consultation with counsel;

20 3. On order of the United States or on request of an attorney for the Government, the person  
21 in charge of the corrections facility in which defendant is confined shall deliver the  
22 defendant to a United States Marshal for the purpose of an appearance in connection with a

01 court proceeding; and

02 4. The Clerk shall direct copies of this Order to counsel for the United States, to counsel for  
03 the defendant, to the United States Marshal, and to the United State Probation Services Officer.

04 DATED this 21st day of July, 2023.
